Picks up

Sets down

The pill she just took suppresses poison in the body.

What poison? My lady was poisoned?

See for yourself. Isn't she looking better already?

Miss! Miss, are you feeling better?!

Hey, it will still be a while before she regains consciousness. Until then come with me.

Come where?!

Bad feelings about this

No need to be nervous. I just have a few questions to ask you.

Radiant smile

I don't understand your meaning....

Nervous~

If this is the first time she's had a nose bleed and high fever that's one thing, but

if you aren't honest with me, the next time this happens she might not wake up again~

Oh!

Miss, my
lady she...

It is true that
my lady has
fainted before
but she's always
woken up soon
after....

You've never
seen a doctor
about it?

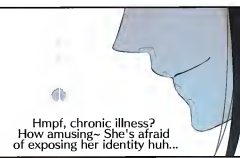

She told me
not to call a
doctor, she
said it's a
chronic
illness..

That's not the
real reason, it
definitely isn't!

Hmpf, chronic illness?
How amusing~ She's afraid
of exposing her identity huh...

step step step...

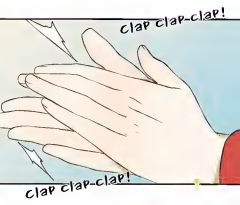

Before...

W-what?!

It wasn't you
before, no
wonder!

Huh?!

clap clap-clap!

clap clap-clap!

Who is it now?

Young master.

Young master, the thing you wanted.

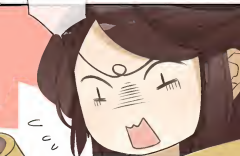

Here, get your lady to sign this. After that I will be able to cure her ailment.

Sign it?
